

Prepaid Parking Passes

Parking fee arrangements is a courtesy provided by OC Parks Parking Services to anyone **with reservations** to an area in the park.

If you wish to make an arrangement, we provide the following two options:

1. You pay for the desired amount of passes at least two weeks prior to your event and we'll mail them to you via standard USPS mail. Tickets can only be used the date of the event. No refunds for tickets not used, lost or stolen.
2. Choose to receive an electronic pass, to be printed at home and payment is processed after event for the amount of passes turned in. Passes can only be used the date of the event.

Both options require your guest to surrender their pass to park attendant. The passes are non-transferable, are per vehicle and per entry. You must distribute the passes to your guests with enough time for your guest to receive them prior to the day of your event. The park attendants **cannot** distribute passes to your guest as they arrive.

If interested please e-mail OC Parks Parking Services at ocparksps@pcioc.com with the following: name and phone number of main contact, date of event, park name and the area reserved or call (949) 943-9749 for parking related questions (M-F 9am to 4pm).

We do not make arrangements for parking space reservation. Pass does not guarantee parking near desired area in the park. Pass only covers vehicle entry fee. Passes are valid 7am to 4:30pm the day of your event unless pass has specified time frame.

Arrangements can be made for the following Orange County Regional Parks:
